NEW THIS YEAR!

- Friday Night Concert  
  - New York Polyphony -  
  FSK Auditorium
  Praised for a “rich, natural sound that’s larger and more complex than the sum of its parts,” (National Public Radio) NEW YORK POLYPHONY is regarded as one of the finest vocal chamber ensembles in the world. The four men “sing with intelligence, subtlety and consummate artistry,” (Richmond Times-Dispatch) applying a distinctly modern touch to repertoire that ranges from austere medieval melodies to cutting-edge contemporary compositions.
- **Pub Trivia – Randall Dining Hall**
  Form a team with fellow alumni and students and join us for Pub Trivia to test your mettle. In addition to bragging rights, prizes will be awarded to the winners! Though the lessons of the Great Books stay with us forever, how well do you remember the details? How many husbands did the Wife of Bath have? How did Dido die?

- **Open Forum with the Dean and the Instruction Committee - Conversation Room**
  An open question period with the Dean and the Faculty committee responsible for overseeing the program of instruction.

- **Bonfire – Back Campus**
  Join your fellow alumni and students around the fire and sing along with the St. John’s Chorus led by tutor Peter Kalkavage

- **Raffle**
  Every registrant’s name will be entered into a raffle for a $100 gift card to the Bookstore.
