Job Description of an At-Large Director

The Board of Directors is the policy-making body for the St. John's College Alumni Association (SJCAA). Directors work with the college alumni relations directors and staff to determine association priorities, set achievable objectives and establish measurable outcomes. Directors are responsible for organizing and motivating the work of association volunteers, both individually and through working groups. Members of the board champion the mission of the association: to strive for the continued excellence of our college and fellow alumni by celebrating our distinctive educational experience, connecting our community in efforts toward shared support and benefit, and fostering a culture of intellect, generosity, and service.

Nominees to the Board of Directors are put forward by the sitting board as recommended by its nominating committee, or by alumni petition. New board members are elected in a general election in which all alumni are eligible to vote.

Directors ensure that the organization fulfills its mission via their participation, oversight, and effort. Requirements include:

- Attend board meetings and actively participate in decision-making.
- Advocate for alumni and the college, with staff, alumni and non-College affiliated persons.
- Support staff in achievement of their objectives while simultaneously encouraging alumni engagement and the achievement of Board objectives.
- Share personal areas of expertise with the board and staff.
- Lead or co-lead a Working Group.

- Support the decisions of the Board once made.

Directors serve two-year terms and are expected to attend three (3) board meetings annually in September, January, and June. In-person attendance is strongly preferred for the September and June meetings; however, attendance by video conference is permitted. Meetings alternate between the Annapolis and Santa Fe campuses. Directors are not reimbursed for travel and there is no financial compensation for serving on the Board (expenses can be claimed for tax purposes, however; check with your accountant). In addition to these three meetings, a director position is estimated to require 5 to 10 hours of service per month including the time spent as a Working Group Lead.

The Tripartite Presidency

The Presidency of the St John's College Alumni Association (SJCAA) is divided into three parts: President-Elect, President, and Past President. As the highest offices of association leadership, these positions are critical for the management, success and continuity of the association. The presidents must ensure the association strives toward its mission and, therefore, must embody that mission, exemplifying alumni support of the association and their *alma mater*. Through their leadership, the presidents must strengthen the relationship between the association and college administration, staff, faculty, and the Board of Visitors and Governors (BVG).

Nominees for President-Elect are put forward by the sitting board as recommended by its nominating committee, or by alumni petition. New Presidents-Elect are chosen in a general election in which all alumni are eligible to vote. After serving as President-Elect, he or she automatically ascends to the office of President. After serving as President, he or she automatically becomes Past President of the association.

Each of the positions of the presidency consists of a two-year term, for a total of six years on the association board. The President is expected to be present and run three (3) board meetings annually: September, March, and June. As President-Elect, in-person attendance is expected; as Past President, it is strongly preferred, but attendance by phone is permitted. In addition to these three meetings, all positions of the presidency require participation on the Executive Committee and Nominating Committee. The President-Elect position is estimated to require 7 to 12 total hours of service per month, the President position 10 to 15 total hours of service per month, and the Past President position 5-10 total hours of service per month.

Job Description of an Alumni-Elected BVG Member

In accordance with the St. John's College Alumni Association (SJCAA) bylaws and the charter and polity of the college, the alumni elect one member per year to serve a three-year term on the college's Board of Visitors and Governors (BVG) in a general election open to all alumni. The following job description is provided to give information and guidance to nominees and members serving on the BVG.

It is in the interests of both the association and the BVG to have the perspective of alumni on the BVG. This does not mean that SJCAA elected members of the BVG have a duty to represent the interests of the association. Their duty is to advance what they consider to be the best interests of St. John's College. The association and the BVG believe that the perspective of alumni is not only important in the activities and deliberations of the BVG, but also that the perspective of alumni serving on the BVG is important to the SJCAA Board. Alumni-elected members of the BVG may be requested to communicate with the SJCAA Board periodically on non-confidential activities and deliberations of the BVG.

Association members elected to the BVG have all of the rights, responsibilities and privileges of any other elected members of that board. It is expected that alumni-elected members to the BVG will serve in good faith and in adherence to the standards and obligations of the BVG, which are primarily to attend meetings (normally three per year, alternating between campuses), to make personally significant annual donations, and to act as a fiduciary, giving true counsel and service to the BVG and the college.

In the interest of giving more alumni the opportunity to serve on the BVG, it is currently the practice of the SJCAA nominating committee not to re-nominate association elected BVG members for a second term. The BVG, however, may consider through its nominating process electing SJCAA-elected members of the board to a second three-year term.

Nominees for Secretary are put forward by the sitting board as recommended by its nominating committee, or by alumni petition. New Secretaries are elected in a general election in which all alumni are eligible to vote.

The Secretary has the same requirements for skills and expectations as board members with additional requirements to:

- Take minutes of the principal meetings, to include:
 - Executive Committee meetings by scheduled telephone call, once a month or more often if needed.
 - Three in-person SJCAA Board meetings a year and additional scheduled conference calls as needed.
